

Nature Hunt

Summer is a great time to get outside and do some investigating. One of my favorite things to do is to go on a nature hunt and look for treasures. If you put on your investigator hat and look very carefully you can see new things happening all the time in nature. Take a look outside and see how many of these you can find. You might find these in a park, your yard, or at a playground.

Pinecone	Leaf	Flower	Fruit	Acorn
Funny Shaped Rock	Worm	Butterfly	Bee	Sand
Dirt	Something that smells good to you	Branch/Stick	Different kind of leaf	Blade of grass
Chipmunk	Bird	Vine	Deer	Turtle
Ant	Frog	Tree	Feather	Mudpuddle
